

FREE TENNIS LESSONS

John Dziarkowski has been giving FREE beginners lesson and touch up lessons for a couple of years at the Country Club Courts.

Currently John is working with new players as a foursome on the same level of play. Several of these players are now playing on teams.

These lessons are every Thursday at 9am on Court #3.

Anyone needing tennis touchups or learning techniques can contact John on his cell at 407-221-7447 & reserve a time and a court.

For the Newbies, tennis court #5 at 9:30am every Friday has been reserved to play either as a foursome or round robin.
