

WOODS AND WHITES DAY

Sunday, July 7, 6:30

July 1st is the opening day of The Championships at Wimbledon. Let's celebrate! Starting at 6:30 we will have a group photo of everyone dressed in their tennis whites. Following the photo we will have round robin tennis. In respect for the history of Wimbledon, we will be playing with wooden rackets. Either bring your own, or we have plenty to share.

This is intended to be a fun relaxed, social event. We have purposely selected a round robin format to allow everyone to try playing with wooden rackets. For some, it will bring back a lot of memories. For others, it will be a new experience that will surely make you appreciate your current racket. The round robin format will allow you to decide how many games that you want to play.

Tennis will be followed by another Wimbledon tradition: strawberries and cream around 8:00. We will be Americanizing this tradition by serving the berries over ice cream. The event is open to all tennis club members. Please sign up at the country club courts to let us know how many people will be coming. We need a final count by July 5th.

As usual BYOB and chair. Please contact Ralph or Beth VanDusen with any questions.
